

MAKE THIS HOLIDAY SEASON MAGICAL FOR HOMELESS AND AT-RISK KIDS

For many of us, some of our warmest and most magical memories of childhood took place during the holidays. Whether sharing a meal with family, drinking hot cocoa by the fire, or receiving a long-desired gift from someone dear to you, the holidays is often a time when most of us feel “home.” But what if you don’t have a home? What if your home is a shelter?

We at Housing Families believe that the holidays should be magical for every person; that’s why we work every year to help our families feel at home.

The Drive

Now through December 7th, Housing Families is collecting gifts for our holiday drive. All donations will go to the over 1,000 families we serve in our programs during the holiday season and throughout the year. The list on the back gives a good sense of our most popular and needed items. Gift cards and monetary donations are also welcome.

Wonderland Boutique

As gifts are received, we will open the *Wonderland Boutique* where our parents will come to select gifts for their children. Providing families the opportunity to “shop” for their children allows them a chance to personalize their holiday experience and offers a sense of normalcy for many families experiencing turbulent times.

The Details

We request that all **unwrapped** gifts, checks, and gift cards be delivered to 919 Eastern Avenue in Malden, on or before **Friday, December 7th** to allow families time to prepare for the holidays. Depending upon staff and volunteer availability, items may also be picked up at your location.

Thanks for joining Housing Families in the effort to make this season one of joy and fond memories for parents and children in our communities. Our families greatly appreciate your generosity!
